

Friday Painters in Hull

Welcome to another season of **Friday Painters in Hull**. In conjunction with the **Hull Artists** and the **Hull Lifesaving Museum** we post a variety of painting locations that encourage artists to enjoy Hull's natural beauty and diverse landscapes. Mixed in the locations are seaside, historic locations, vistas and private gardens. It is organized so that we can take advantage of the morning light and finished in time not to get the afternoon burn. (9 am-12noon) Open and free to all, any level or ability. There are no instructions given, just bring your supplies and enjoy.

Hull Lifesaving Museum is open to artists for bathroom access on Fridays during our season. They have also offered their grounds to the artists for a gathering afterward for lunch or gatherings.
