Details: Like most things this year, pictures with Santa will be a little different than usual. To maintain social distance, we’ll use our 16’ red dory boat as a centerpiece for the photos. Santa will be seated on one side of the boat, and they’ll be a bench on the other side for the kids.

The dory will be festively decorated with brightly wrapped presents inside to ensure every picture 'pops' with that holiday spirit!

To ensure proper distancing, we will use grass paint and drawing squares, spaced six feet apart, with an 'X' in every other square. This will allow ample space for each family to wait, as well as ample space between waiting parties.

B.Y.O.C! (Bring Your Own Camera...or Smartphone) to limit contact, groups use their own camera and/or smartphone to snap their pic with Saint Nick!

We will be handing out small pre-filled giftbags as a holiday treat for the kids, the supply is limited and may contain small items unsuitable for younger children. To support appropriate distancing and keep things moving, there will be a box to collect letters to Santa. If children want to share their 'wish list' with Santa, they can deposit their letter in the box.

GROWN UPS: if you want us to mail back the letter to keep as a memento, make sure to include a return address on the envelope. We will make sure to get it to you!

Other Covid-19 Precautions & Considerations:

- Please keep groups to immediate family and/or 'social pod', groups can have no more than 6 persons in each queue square.
- When your group arrives at the front of the queue, children will sit on the bench next to the boat. Santa will be seated at the other end of the boat. Santa is excited to come to Hull and take photos, but he has a strict social distancing rule. Please help to make sure that the kiddos are socially distant when they see Santa.
- Once you have snapped your photos, we ask that you follow the signs to the exit area to ensure the flow of traffic remains one-way.
- Hand Sanitizer will be available in several areas of the space.
- This is an outdoor activity. Masks to be worn at all times when there is reasonable expectation that participants will be with 10' of a non-household person.
- Bathrooms at HLM will be available and will be cleaned before and after the events. Hand sanitizer will be available at every location where event participants and employees will be for the duration of the event.
