

Hull Lifesaving Museum Summer Adventure Program

The Summer Adventure Program offers six weeks of discovery and exploration for children ages 5-9. Summer Adventure meets Tuesday-Thursday from 9:30-12:30, with a different theme each week. Each week includes hands-on activities, outdoor exploration, and a fun mix of history, science, and arts. A morning snack is provided. Children are encouraged to bring a re-useable water bottle.

*Registration for Pond Yacht Racers is \$110 members, \$130 nonmembers (due to a higher material cost). Registration for all other weeks is \$100 members, \$120 nonmembers (scholarships and 10% discounts for siblings and active military families).

For information, please contact Victoria Stevens at 781-925-5433 or email victoria@hulllifesavingmuseum.org.

2015 Summer Adventure Sessions

Session 1, Tide Pool Adventures I, July 7-9

Always a highlight of the summer, we'll explore the wonderful tidal pools within a short walk of the museum, learning to slow down, look closely, and find the wealth of plant and animal life in a single small pool.

Session 2, Shipwrecks & Lifesavers, July 14-16

Walk in the footsteps of Captain Joshua James and his crew, exploring daily life at the historic Lifesaving Station. We'll learn about Boston Harbor's most amazing storms and shipwrecks, hear stories of courageous rescues, and have a chance to ride the breeches buoy!

Session 3, Tide Pool Adventures II, July 21-23

We will continue our exploration of the rich intertidal zone on local beaches, investigating our finds with nets and magnifiers. We'll learn about sea stars, anemones, crustaceans and more! (It is not necessary to have participated in Tide Pool Adventures I to participate in this session).

Session 4, Pond Yachts, July 28-30

A great opportunity for young children to build their first model boat—a T12 that sails beautifully. Children will assemble, stain, and rig their vessels from a high quality T12 model boat kit. Launch day is a joy to see!

Session 5, Coast Guard Kids, August 4-6

A very special celebration of the United States Coast Guard commissioning of a new ship in honor of Hull's own Joshua James, this session will explore the important mission of the modern day Coast Guard, from our local station to global operations.

Session 6, Legends of Boston Harbor, August 11-13

The stories of legendary story teller Edward Rowe Snow will be our guide as we play "fact or fiction" with some of Boston Harbor's most famous stories, including the Lady in Black. We'll hear tales of long ago pirates, and search for their buried treasure.

Hull Lifesaving Museum
Summer Adventure Program

Registration begins March 1, 2015. Please call 781-925-5433 or email victoria@hulllifesavingmuseum.org to register.
